FEBRUARY 2006

PRESCHOOL PIPELINE

February is National Dental Health month and we have a field trip scheduled for February 1st, at 9:30 A.M. to visit Dr. Trager's office. He is located right around the corner on Vischer Ferry Road. A sign-up sheet will be posted for drivers. A dental hygienist from Dr. Olli's office will visit the T/TH classes on February 9th.

Soon Punxsutawney Phil will let us know how much more winter we can expect. February is a short month. The month has only 28 days, one week of which is considered a Mid-Winter Recess. Where did the snow go?

Please provide 39¢ in a Ziploc bag **before** Monday, February 13th. That Monday, we will meet at the Rexford Post Office at 9:15 am. A sign-up sheet will be posted for drivers. If you are not a driver, please be sure to secure a ride back to school for your child. We are not going to tour the post office, but purchase a stamp and mail a valentine.

Our Valentine Party dates are February 14th and 15th. The snack person for that week should be the first to sign up on the Valentine Refreshment poster. **IMPORTANT! Please do not personalize the valentines.** It would be great if you and your child work together signing his/her name as the sender. We are going to pretend to be a mail carrier and deliver each valentine to a mail "folder/bag".

An Open House is scheduled for Sunday, February 12th from 1-3 PM. If you know anyone who is registered and has not been able to meet the teachers, please give them a blue card. Please note: the 3 year old classes are full for September. February 15th is Kindergarten Readiness at Tesago Elementary School Cafeteria at 7pm.

On March 9th and 10th, Michael Yuhasz, a Martial Arts Instructor, will present age-appropriate information as to "Stranger-Danger".

A Progress Report will be sent home on March 17th for the M/W/F class. Conferences will be held on Wednesday, March 22nd for the M/W/F class. The children will not attend school on that day. Parents can schedule a 15 minute conference between 9:00 am and 12:30 pm. Please be considerate of the person following you and please come prepared with questions about kindergarten readiness. If you are not concerned about sending your child to kindergarten, it is not necessary to schedule a conference. Of course, any other concerns parents may have can be addressed on that day. A sign-up schedule will be posted.

Our T/TH classes are learning how to share and how to sit still at story time - a work in progress!

Don't forget the first president, George Washington, and the twelfth president, Abraham Lincoln. Have a wonderful Presidents' Week off and "GET HEALTHY" by getting lots of fresh air and rest.
