March, 2006

March is the month to expect the unexpected. We have been talking about wind and sure enough, the children were able to relate due to conditions two weeks ago.

The children have been developing age appropriate skills. It is rewarding to see the changes. We are now observing the children are able to recognize their names, take responsibility for their belongings, use manners and resolve problems as well as learn to wait their turns.

The M/W/F class will visit Bruegger's Bagel Shop on Monday, March 13th. We will meet at 9:15am at the Hannaford Plaza. The T/Th class will go to Bruegger's on March 9 and will also meet at the Hannaford Plaza at 9:15am that day.

A Progress Report will be sent home Friday, March 17th.

March 22nd is conference day for the M/W/F class. There will be NO CLASS that day. A sign-up sheet will be posted with twenty minute intervals. Fifteen minutes for the conference and a five minute grace period. We will focus on the skills required to enter kindergarten.

If you believe that your child is prepared for kindergarten, you need not schedule a conference.

Martial Art Instructor Michael Yuhusz is scheduled to do a presentation on "Stranger/Danger" on Friday, March 10. Parents are invited to attend.

We are looking forward to an exciting new school year. There will be six full-time teachers. The only teacher leaving is Mrs. Greene (boo-hoo). The home business is demanding more and more of her time.

We would like to mention our gratitude for the parent helpers. You will note their names on chart by the board. you for your services!

"An Easter Carol", a Veggie Tale DVD and book will be available for our Easter celebration. We will need volunteers to provide plastic eggs and fillers and a team to hide the eggs. If this is something you would like to be involved with, please see Mrs. Whitney Decker.
