March, 2007

March is the month to expect the unexpected. Sure enough, we have finally been able to use the snow. The trip to Dr. Olli's was very informative. Thank you, Ms. Sandy!

It has been brought to my attention that young children are being left unattended in cars again. This is strictly forbidden! As you know we are pretty lenient as to late pickups so please do not leave any children in your car for any reason. Either ask someone to bring your student out to you or take the time to carry the child inside with you. Your children's safety is so important to us!

Daylight Savings Time begins on Sunday, March 11. Remember to "Spring Ahead" an hour before you go to bed Saturday night!

The M/W/F Bluebirds will visit the new Clifton Park Library on Wednesday, March 21 for story time from 10:15 to 11:30am. It will be an opportunity for us to become acquainted with the wonderful resources available to us. The M/W/F Redbirds will go on Friday, March 23 also from 10:15 to 11:30am.

Coming up next month is our trip to Pizza Hut. It's one of the kids' favorites! ☺ It is scheduled for Wednesday, April 18 from 10-11:30. The cost will be covered from our fundraiser money. Each child will be enjoying a personal pan pizza.

Snack people-please be advised that we do not need beverages for the next month. Since we dilute apple juice (too much natural sugar content) we have more than enough at this time. Thank you for your generosity!

We would like to mention our gratitude for the parent helpers. Thank you for all you do!

Watch for the Conference Day Sign-Up sheet coming soon. Please be considerate of the time slot you have, allowing only fifteen minutes. Any concerns can be addressed before or after school on any given day.

A Progress Report will be sent home Friday, March 16. If you believe that your child is prepared for kindergarten, you need not schedule a conference.

March 28 is conference day for the M/W/F class. There will be NO CLASS that day. A sign-up sheet will be posted with twenty minute intervals. Fifteen minutes for the conference and a five minute grace period. We will focus on the skills required to enter kindergarten.

Spring will be here soon according to the calendar. It is seed planting time. What a perfect opportunity for us to plant seeds of faith. As we observe new life happening around us, our Easter unit will include the true story of the resurrection of our blessed Savior, Jesus Christ. Also, we have some excellent Easter stories which you may borrow from our lending library. If you would like to borrow the Resurrection Eggs, see Mrs. Robyck.

Mrs. Robyck & Staff

Alleluia!
He is alive!

*"Train up a child in the way he should go
and when he is old, he will not depart from it."*
Proverbs 22:6
