As our 2004-2005 school year comes to an end, we have mixed emotions. True to life, circumstances change but God never changes. God has blessed this school with excellent help and only the most beautiful families.

Each year as we evaluate our goals, we can only praise God for His goodness.

We hope you have enjoyed the time spent with us. Charles Filkins, a member of this church, will tape the graduation ceremony. You may purchase a copy.

For those who will be returning in the fall, you will receive an orientation packet in August. Each child will need to have had a physical exam within a six month period, prior to September, signed by a physician. A dental exam is also required. Forms are available in the church office.

At the present time, we have a waiting list for all the classes. If you encounter any changes over the summer, please call 371-6023 so someone else may have your place.

Word of mouth has it that our staff will be changing. Let it be known, through much prayer, our staff will be as competent and qualified as the present staff. I (Mrs. Robyck) will be here five days a week. Mrs. Greene will be here and Mrs. Strife will be here.

The fund raiser has been put in place for September. We have added a "Cookie Dough" fundraiser. If you would be able to take on that responsibility, please see me. As you know, the fundraiser money covers our field trip expenses.

#### Reminder: Schedule of Events:

August 15-19 - Serengeti Trek Vacation Bible School will be held at the church for those who will be 4 years old by September 1st through those entering 8th grade in the fall. You will be able to register your children after July 1, either on-line or by picking up a form from the office.

Preschool will resume in September. If you have not filled out your registration form and turned it in, you need to do so right away to hold your place in next year's class.

We wish you a wonderful, blessed summer!
