PRESCHOOL PIPELINE

Now that Daylight Savings Time has ended, autumn will come to an end and we will have to begin to prepare for cold weather. We tend to resist change, but that is how we grow, physically, mentally and spiritually.

The time with our firefighter friends gave important information to children as well as parents. Ask your child if he/she knows the emergency number. Tell your child where to find the smoke detector in your house and where to meet outside of the house in case of a fire.

The Bluebird and the Redbird classes are developing listening skills as well as being able to sit as a group for storytime. The Harvest Celebration will involve preparing our own snack. In relation to our theme-Hibernation-Teddy Bear Day will be Friday, November 3rd and Tuesday, November 7th.

Your child should be able to recognize the jacket or coat he/she is now able to put on his/her hook. We encourage the children to hang up their own coat, even though it may not be hung the way you or I would hang it up. Be sure to label your child's belongings. Some children have the same coat, hat, mittens, boots, etc. Note I said mittens - no gloves, cute but not warm.

We continue to remind you that the children like to go outside. Please understand we might get clothes soiled. If you do not want your child to play outside, you may pick them up early. Continue to watch the bulletin board for upcoming, incidental and practical information such as events, date changes and travel directions. Anytime you need more information, do not hesitate to call after 12:00pm (371-6023).

The month of November will pass by quickly because of the Thanksgiving holiday. It brings with it a celebration here at school. The Monday, Wednesday, Friday class will make "Stone Soup". Redbird family members are invited to school on Friday, November 17th at 11:00 AM to share in the bounty of our blessings. The Bluebird family members are invited on Monday, November 20th to share in the bounty of our blessings. A sign up sheet will be posted for you to contribute something for the celebration. The children are to arrive at the usual time, 9:00 AM. We prefer walking siblings do not attend. It proves to be a distraction. If you cannot make arrangements for younger siblings, see a teacher.

Please note the annual calendar. Yes, we will have school on Tuesday, November 7 and Friday, November 10, but we will not have school Wednesday, November 22nd. The Stone Soup celebration will be Monday November 20th. We understand some families travel the day before Thanksgiving.

A Christmas party is planned Thursday, December 21st, and Friday, December 22nd. Each child needs to bring a festively wrapped gift. The cost of the gift should not exceed \$5.00. FYI - boys like cars, girls like jewelry and dolls. Your child will pick a name from the Christmas basket. You will find the label for the gift in your child's cubby.

Mrs. Robyck and Staff

"Train up a child in the way he should go and when he is old, he will not depart from it."

Proverbs 22:6
