

*High Seas Expedition
Speedy Pass Information*

Here is the general information regarding the Speedy By-Pass:

If you have registered your child by Wednesday August 4th, you will receive a speedy by-pass.

This allows you to bypass the registration table and proceed directly into the sanctuary for Monday's opening at 9 a.m. *Speedy passes will be emailed to you the week of August 2nd; if you have not received yours by Friday, August 6th, please contact the church office at 371-6023. *

You will receive a separate speedy pass for each child you have registered. The pass will indicate your child's group assignment, such as Blue Salty 1. *Many age groups have more than one group so please note your child's number as well as his/her color/character combination. *

Please print your child(ren)'s speedy by-passes and bring them with you for opening day of VBS. You can bring the pass and your child(ren) directly into the sanctuary. Groups are seated by color as indicated by color blocks on the floor. No further registration is needed if you have completed the online registration.

If you have not registered by Wednesday August 4th, you will need to stop by the registration table on your way into our High Seas Expedition.

We look forward to seeing your child(ren) as we embark on our voyage!
